Dear School Family,

## Keyham Barton News!

Today, Year 6 received their leavers' hoodies. A huge thank you to the Co-op who have donated £200 towards these, so all children could have one! A brilliant example of community collaboration at its best! Here are Year 6 modelling them beautifully!

They will be allowed to wear their hoodies for the rest of the term if they would like to. (Don't tumble-dry the hoodies as that will affect the lettering on them!)

Thank you, The Co-operative!

## Staffing Update

A separate letter has gone out about this, but we extend a warm welcome to our new staff members for September 2021! Mrs Phillips and Mr Priscott! Please read the staffing letter for further information.

## Afri-Pads and Period Poverty Project

Next week, as part of our Sex and Relationships Education (SRE) and linked to our Uganda work, we will be making Afri-Pads for the girls in our link school in Kikandwa and learning about Period Poverty. This is an amazing opportunity for our Year 5 and 6 pupils to make a real difference to the lives of others and empower them to make change happen! We hope to invite the Lord Mayor in and to publicise this widely also. Watch out for our Facebook photos!

## Sports Day

KS1 - Friday 9th July

KS2 - Friday 16th July.

Each class will have their own Sports Day session with Plymouth Argyle throughout the day where they can earn points for their House. On your child's Sports Day, they will need to wear their PE kit to school and a t-shirt to match their House colour

(Lourdes = blue, Carmel = yellow, Fatima = green and Buckfast = red.)

## First Holy Communion

## Summer Reading Challenge 2021

Go wild for reading with the Summer Reading Challenge!

Our librarians were sorry not to be able to visit schools in person this year to talk about the Challenge, but they've made [this extra special video](#) to explain everything.

For this year's Challenge, The Reading Agency has partnered with WWF to create 'Wild World Heroes', which will inspire children to take action for nature and the environment. Join the Wild World Heroes for an exciting adventure in the fictional town of 'Wilderville'. Through reading books, collecting rewards & learning all about our planet, Challenge participants will help the Heroes make Wilderville a greener place to live. The Challenge is the perfect summer activity to build young readers' skills and confidence during the long break from school. It is available in all Plymouth libraries from 1 July until 11 September.

Children can also take part online through the official [digital Challenge platform](#)  
We look forward to seeing you this summer!

## Have your say on NHS and council proposal for a new health and wellbeing centre in Plymouth

Plymouth City Council and the local NHS are working on plans for a new, purpose-built health,

care and wellbeing centre in the West End of Plymouth, in the vicinity of Colin Campbell Court. The West End Health and Wellbeing Centre would include a range of services – which could include outpatient services accessible to people across the city – all under one roof. The new building would not only provide a much-needed modern health and wellbeing facility, it would also help kick-start the regeneration of the area. A local engagement programme began at the end of May and continues to 4 July, with project partners keen to hear from local people about the services and facilities they think could go in the building. To have YOUR say, fill in a short survey [here](#) [link - [West End Health and Wellbeing Centre project – feedback survey \(office.com\)](#)].

## WORSHIP AND LITURGY

### Speak for God

In this week's Gospel, Jesus is rejected by the people who have seen him grow up.

Jesus has been by the Sea of Galilee teaching and healing people after calming the storm. Following this, he then travels to Nazareth, the town where he grew up.

As it is the Sabbath, Jesus goes to the synagogue and begins to teach people there. The people can't believe it. They think they know Jesus and they just cannot accept that this man, whom they have known since he was a small boy, can tell them anything worth listening to! The people's lack of faith means they are unable to be healed or helped.

Jesus reaches out and is there. All it takes is faith for him to help us in our lives.

## Action

There are often times where we may feel that people don't like us. Jesus knows how that feels too. Help us to remember that we are always loved, even at times where it may not feel like it. Reach out to someone who looks lonely or sad this week. We all know how it feels to be left out or disliked. Help us to be the people that reach out and show others they are not alone.

Have a lovely weekend!
