Summer Reading Challenge 2021

Go wild for reading with the Summer Reading Challenge!

Our librarians were sorry not to be able to visit schools in person this year to talk about the Challenge, but they've made [this extra special video](#) to explain everything.

For this year's Challenge, The Reading Agency has partnered with WWF to create 'Wild World Heroes', which will inspire children to take action for nature and the environment. Join the Wild World Heroes for an exciting adventure in the fictional town of 'Wilderville'. Through reading books, collecting rewards & learning all about our planet, Challenge participants will help the Heroes make Wilderville a greener place to live. The Challenge is the perfect summer activity to build young readers' skills and confidence during the long break from school. It is available in all Plymouth libraries from 1 July until 11 September.

Children can also take part online through the official [digital Challenge platform](#)

We look forward to seeing you this summer!

Thank you for all of your generosity with this amazing campaign.

WORSHIP AND LITURGY Journey with God

In this week's Gospel, Jesus sent his apostles out in two's. He had some very particular instructions for them. The apostles were to take nothing for their journey; no bag, no bread, no spare shirt and no money. Jesus said they could wear sturdy sandals and could carry a staff.

Jesus' friends were to rely on the goodness of people in the villages they were going to visit, to look after them. If they were not welcomed anywhere, Jesus said they should just shake the dust from their feet and move on.

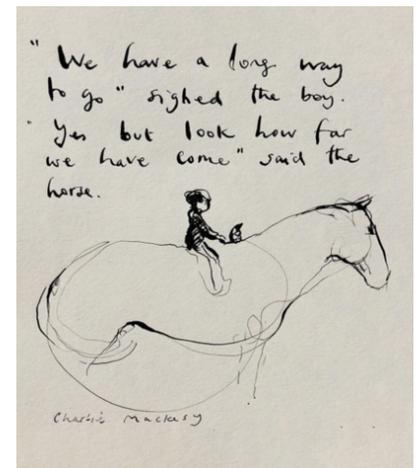

The disciples did as Jesus asked and healed many people.

When Jesus' friends trust in God they can do great things! When we trust in God we can achieve great things also.

Action

Jesus' friends went out in twos and worked together. They trusted in God and the goodness of those around them to support them in their mission.

What ways can we work together to change things for the better? We often need other people to help us do our best work and be our best selves. How can you work with someone else this week to make a change for the better?

Have a lovely weekend!
