ADMISSION ARRANGEMENTS: PLYMOUTH ROMAN CATHOLIC PRIMARY SCHOOLS

Applies to the following Roman Catholic primary schools in respect of admissions in the 2019/2020 academic year: The Cathedral School of St Mary, Holy Cross Catholic Primary School, Keyham Barton Catholic Primary School, St Joseph's Catholic Primary School, St Paul's Catholic Primary School, and St Peter's Roman Catholic Primary School.

The Catholic primary schools of Plymouth welcome applications from parents of children of all denominations and faiths and those of no particular faith background.

Plymouth CAST Multi Academy Trust is the admission authority for Roman Catholic schools in Plymouth. The admissions function has been delegated to the Board of Governors of each individual Plymouth Roman Catholic Primary School. The admission authority will comply with provisions within the School Admissions Code and the School Appeals Code available at www.gov.uk/government/publications/school-admissions-code--2.

The admission arrangements in this document apply to admissions in the 2019/2020 academic year.

SECTION I

(i) Reception/Foundation admissions (normal point of entry)

The arrangements apply to children starting in the Reception/Foundation Year for the first time in 2019/2020. The published admission number (PAN) for this year group is shown in the school list at Section 3 and in the Starting School guide for parents. The close date for application is 15 January 2019. Allocation results will be notified on 16 April 2019. The schools follow Plymouth City Council's coordinated primary admissions scheme.

All applicants must:

- (i) Complete the Common Application Form available from, and returnable to their home local authority;
- (ii) In addition, applicants applying under oversubscription criteria 1-7 must complete the catholic school faith supplementary information form and return it direct to the School. This will allow the governing body to ensure that places are offered strictly in accordance with the criteria.

(ii) In-Year admissions (admissions outside the normal point of entry)

The admission arrangements outlined within this section apply to in-year admissions to Plymouth Roman Catholic primary schools in the 2019/2020 academic year.

An In-Year admission is any entry to school other than at the normal point, for example, transferring school due to a house move or for other personal reason. Requests for admission to Reception made after the normal round of admissions – after 31 August 2019 – and requests for places in other Year Groups should be made direct to Plymouth City Council.

With the exception of a child with an Education, Health and Care Plan (EHCP), all applications will be considered under Plymouth City Council's Fair Access Protocol.

Application should be made via Plymouth City Council at www.plymouth.gov.uk/schooladmissions. Plymouth Roman Catholic primary schools follow Plymouth City Council's local coordinated in-year admissions scheme available at www.plymouth.gov.uk/schooladmissions.

¹ At the time of determination, Plymouth Roman Catholic Schools receive services from Plymouth City Council. If the school ceases this service, the function will be undertaken by the school or contracted to another provider.

All applicants must:

- (i) Complete the Common Application Form available from and returnable to Plymouth City Council;
- (ii) In addition, applicants applying under oversubscription criteria 1-7 must complete the Catholic School faith supplementary information form and return it direct to the School. This will allow the governing body to ensure that places are offered strictly in accordance with the criteria.

Unless otherwise agreed, the published admission number applies to each year group as it moves through the school. The close date for application is the end of each working day. Offers should be made within twenty school days of the application submission date.

SECTION 2

Oversubscription criteria for Roman Catholic schools for normal point of entry and in-year admissions

A child with an Education, Health and Care Plan (EHCP) which names the school will be admitted.

At the normal point of entry, where there are fewer applicants than the PAN, all children will be admitted unless they can be offered a higher ranked preference. For in-year admissions where there is space in the school, all children will be admitted unless the school can demonstrate that admission would prejudice provision of efficient education or efficient use of resources.

In the event that the School is oversubscribed, the admission authority will apply the following oversubscription criteria in order of priority:

1. **Looked after children and all previously looked after children:** A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school. Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order);
2. **A child with exceptional medical or social grounds:** Applicants will only be considered under this heading if the parent/carer or their representative can demonstrate that only the preferred school can meet the exceptional medical or social needs of the child. This can be in the form of a testimony from a medical practitioner, social worker or other professional who can support the application on an 'exceptional' basis.

Exceptional medical or social grounds could include, for example:

- a serious medical condition, which can be supported by medical evidence
- a significant caring role for the child which can be supported by evidence from social services;

3. **Roman Catholic faith:**

3.1 A baptised Catholic child with a sibling attending the school at the time of admission. Sibling means a brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner where the child for whom the school place is sought is living in the same family unit at the same address as that sibling.

(Evidence: Baptismal certificate or signature of a Catholic priest confirming their knowledge of the child's baptism and completion of the Catholic School Supplementary Form)

¹ At the time of determination, Plymouth Roman Catholic Schools receive services from Plymouth City Council. If the school ceases this service, the function will be undertaken by the school or contracted to another provider.

3.2 A baptised Catholic child whose parent is a member of staff employed at the school for two or more years at the time at which the application for admission to the school is made or where the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage;

(Evidence: Parent's baptismal certificate or signature of a Catholic priest confirming their knowledge of the parent's baptism and completion of the Catholic School Supplementary Form)

3.3 A baptised Catholic child

(Evidence: Baptismal certificate or signature of a Minister confirming their knowledge of the child's baptism and completion of the Catholic School Supplementary Form)

4.2 A child who is a member of another Christian Church whose parent is a member of staff employed at the school for two or more years at the time at which the application for admission to the school is made or where the member of staff is recruited to fill a vacant post for which there is a demonstrable skill;

(Evidence: Baptismal certificate or signature of a Minister confirming their knowledge of the parent's baptism and completion of the Catholic School Supplementary Form)

4.3 A child who is a member of another Christian Church.

(Evidence: Signature of a designated minister of that church confirming the child's membership and completion of the Catholic School Supplementary Form)

5. Other faiths:

6. **Ethos:**

NOTES:

Admission out of the normal age group: Places will normally be offered in the Year Group according to the child's date of birth but a parent may submit an application for a Year Group other than the child's chronological Year Group. A decision will be made on the basis of the circumstances of each case and in the best interests of the child concerned. This will include taking account of the

¹ At the time of determination, Plymouth Roman Catholic Schools receive services from Plymouth City Council. If the school ceases this service, the function will be undertaken by the school or contracted to another provider.

parent's views; information about the child's academic, social and emotional development; where relevant, their medical history and the views of a medical professional; whether they have previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group if it were not for being born prematurely. The admission authority will also take into account the views of the head teacher of the school(s) concerned. Parents must not assume that the decision of one school will transfer with the child to a different school as the decision rests with the individual admission authority. Where a place is refused in a different Year Group but a place is offered in the school, there will be no right of appeal.

Appeals: In the event that an applicant is denied a place at the school, the parent/carer will have the right of appeal to an independent appeal panel. Information relating to the appeal process can be obtained from Plymouth City Council's School Admissions Team¹.

Fraudulent applications/withdrawal of allocated places: The School Admissions Code allows an offer of a school place to be withdrawn if:

- it has been offered in error or
- a parent has not responded within a reasonable period of time or
- it is established that the offer was obtained through a fraudulent or intentionally misleading application. An example of this would be knowingly using an incorrect home address for a child. In these cases the application would be considered using the information that the local authority believes to be correct, for example using the home address where the local authority considers that the child actually lives.

All suspected fraudulent applications will be investigated and if a case is found, it could lead to criminal prosecution.

Home address: Any allegations received by the admission authority of people providing false or accommodation addresses when applying for school places shall be fully investigated and, if found to be true, it could lead to a criminal prosecution and withdrawal of an allocated place. Schools have been advised by Plymouth City Council to ask parents to provide proof of residence (for example utility bills) before admitting a child. Plymouth local authority (LA) will also carry out checks as appropriate¹. A child's home address is defined as the address at which the child is normally resident or, where a child lives at more than one address, the address at which the child lives for the majority of the time. Where the home address is unclear, the Admission Authority will determine the appropriate address taking into account factors such as the address to which the Child Benefit Allowance or Child Tax Credit is payable, registration for medical services etc.

Mode of study and start date: There is a legal requirement that all children begin full time education by the beginning of the term following their fifth birthday, this is referred to as compulsory school age. Places are offered to children for admission at the beginning of the September term after the fourth birthday. That is before they reach compulsory school age.

Parents have a right to defer the date their child is admitted, or to take the place up part-time, until the child reaches compulsory school age. The place that was offered would be held open for them at the school. Places cannot be deferred and held open beyond the beginning of the final term of the school year for which the offer was made. If you decide that admission will be deferred, you must tell the allocated school so that the place can be held open. Where a parent does not inform the school that admission is to be deferred and does not admit the child in September, it is likely that the place will be withdrawn and offered to another child.

For normal point of entry: the expected point of admission will be September 2019.

For in-year admissions: the expected point of admission will be within two weeks of the date of the allocation or within six weeks of the original application whichever is the later (unless other arrangements have been made with the school).

¹ At the time of determination, Plymouth Roman Catholic Schools receive services from Plymouth City Council. If the school ceases this service, the function will be undertaken by the school or contracted to another provider.

Multiple births: Defined as the birth of more than one baby from a single pregnancy. We understand that parents/carers would like to keep twins, triplets and other children of multiple birth together. Where the admission criteria is applied and it is not possible to offer places to all children of the same multiple birth family we would work with the family to find the best possible solution for them and their children, including offering place(s) above the Planned Admission Number. Should it transpire that it is not possible to offer place(s) to all children within that multiple birth, the parent will be invited to nominate which child should be allocated the place.

Response: Parents/carers must respond to an allocation of a school place within two weeks of the date of notification of availability of a school place or, in the case of an in-year admission, within six school weeks of a school place whichever is the later. Response must be made to Plymouth City Council¹. In the absence of a response, the offer may be revoked and the place may be reallocated to someone else.

Tie Breaker: Where we have to choose between two or more children in the same category as each other, priority will be determined on the basis of distance between home and school. Measurements are taken by a straight line on a map using Plymouth City Council's electronic mapping system¹ – the shorter the distance the higher the priority. Measurement points will be from the spatial locator identified by the National Land and Property Gazetteer. The spatial locator is the address point based on a general internal point. Flats are therefore taken to be the same measurement point regardless of floor of location. If the tie-breaker is not sufficient to distinguish between applicants in a particular category, there will be a random ballot as set out in the School Admissions Code. This will be undertaken by the Chair of Governors in the presence of the head teacher by the operation of an electronic random number generator.

Waiting lists: If a place cannot be offered at the preferred school, the child's name will automatically be added to the waiting list for any school ranked higher than the school allocated. Those on a waiting list and late applicants will be treated equally and placed on the same list. Waiting lists will be held in the order of the published admission criteria and will be maintained until the end of the summer holidays 2019 in respect of the normal point of entry. Any vacancies that arise will be allocated to the child at the top of the waiting list.

From 1 September 2019, the in-year admissions scheme applies and the waiting list procedure will change in that parents will be asked to confirm their wish for their child to remain on a waiting list in order that the list can be kept up to date.
