## Walking Together with Pope Francis starts this week

The two year synodal process starts this week with groups meeting in every parish in the world to share thoughts and listen to each other. Pope Francis is taking seriously the teaching highlighted by the Second Vatican Council that the Holy Spirit speaks to the Church both through the bishops who pass on the faith (the *sensus fidei*) and the people of God who recognise it as authentic (the *sensus fidelium*).

In simple terms God guides the church both through the bishops united to the pope, *and also* through the whole people of God, so he has asked the whole people of God to speak, and this is the start of the process.

In each of the weeks of Advent, starting this week we will have six times when people can join in this process.

## Bishop Mark Visiting

This Wednesday Bishop Mark will be celebrating the 10am Keyham school mass at Holy Redeemer. Parents and parishioners and welcome to join the children for this celebration

## Christmas Crib

Could put the big nativity scene on the roof of Holy Family entrance after the mass on Friday 10 Dec if a few people were available then to help?

## Rocking Horse Raffle

We were given a handmade rocking horse to raffle just before Covid started so the raffle didn't go ahead. We are going to raffle it this Advent and the money raised will go to some Christmas charity to help those in need.

Details are not finalised but look out for tickets.
