Dear School Family,

Keyham Barton News!

It has been lovely to welcome you all to our 'Meet the Teacher' events this week where we were able to share with you what you can expect from each year group this year. We will have 1:1 parent meetings in the spring term, but if there is anything you would like us to know about your child, please check in with their class teacher. We are happy to arrange appointments with you after school if need be.

Well done to all those children who took part in 'Bike to School' week! We do have bike and scooter storage in the playground, so if you want to travel to school this way all the time, there is somewhere safe to leave your bike or scooter!

Parent helpers needed to join our PTFA

Did you know that as a committee we help to raise money for our school community? Christmas is just around the corner and we would like to organise a Christmas Fete for our children. To enable us to do this we require an army of helpers. If you have any spare time and are able to help us, please let the office know. Without parent helpers, it would not be possible to hold events such as this.
Thank you.

Parent and Foundation Governors needed!

We currently have places available for Governors! If you would be interested in supporting the Headteacher with the strategic direction of the school, please email

WORSHIP AND LITURGY

Mark 10:2-16

Come to Me!

In today's Gospel, Jesus talks about the love and partnership in a marriage and reflects upon how God the Father made all people to live together and support each other in love; families and communities too.

While Jesus is deep in discussion, some people try to bring their children to him. The disciples shoo them away saying that Jesus is busy but Jesus sees and is annoyed and stops them. He tells the disciples, "Let the little children come to me; do not stop them."

Jesus explains that adults have a lot to learn from children and that children can teach adults how to trust God and learn to love each other. Jesus blesses the children and spends some time just with them!

Our Faith in Action

October 4th is the Feast Day of St Francis of Assisi. He is the patron saint of the environment and animals. He lived very simply. This week. Let's try and look after our environment. If you see litter, pick it up. Perhaps you could clean out a pet or walk the dog? How could you help look after our world and our animals this week?

Have a lovely weekend!
